RE: Career Connect Washington Contract Number K7902 Monitoring Letter

Dear Tyler Menezes:

The purpose of this letter is to inform you that the Employment Security Department's Workforce Monitoring Unit (ESD's Monitoring Unit) has completed the virtual monitoring review of contract K7902 between ESD and CodeDay on August 28, 2024.

Background
The Career Connect Washington (CCW) program was established in 2017 to bridge the gap between employers and educators by providing the connection, funding, and support they need to deliver high quality academic and work-based experiences for Washington students. Washington State's CCW program is made possible by the support and funding from the US Department of Labor's Workforce Innovation and Opportunity Act.

Monitoring Review of Contract K7902
The monitoring review was conducted in accordance with the Uniform Administrative Requirements 2 CFR Part 200, contract terms and conditions, and the statement of work as outlined in contract number K7902.

ESD's Monitoring Unit and oversight team for the administrative and fiscal review of the CCW program has determined that there were no findings, disallowed costs, nor questioned costs in the expenses reviewed. We found that CodeDay's expenses were reasonable, allowable, and allocable to the contract.

The enclosed observation report that was shared during the exit meeting outlines the scope of the review and the determination status of each monitoring item. Additionally, the observation report identifies any recommendations or observations from the monitoring review.

The review process requires ESD's Monitoring Unit to randomly sample one or more of the budget line items outlined in the contract. During the review period, ESD's Monitoring Unit obtained source documentation from your organization to conclude reasonable assurance that funds were spent according to the objective of the contract.

If you have any questions regarding the review or the attached observation report, please feel free to contact Maria Cheeseman directly at 360-972-0530 or maria.cheeseman@esd.wa.gov.

Sincerely,

Greg Ferland
Director of Workforce Monitoring
Employment Security Department

Processes and Controls

Review	Question	Grantee Response	Documents to be Reviewed	Determination	Due Date (if applicable)	Required Follow Up (If item to Address, Disallowed Cost or Questioned Cost)	Notes: Observations and/or Recommendations
Policies and Procedures	Select all applicable policies and associated procedures that apply to your organization. Contracting and Procurement Travel Policy Purchases: Property and Inventory Cost Allocation Policy Indirect Cost Policy		☒ Contracting and Procurement ☒ Travel Policy ☒ Purchases: Property and Inventory ☒ Cost Allocation Policy ☒ Indirect Cost Policy	No Issues identified			CodeDay provided ESD's Monitoring Unit with supporting documentation for the policies identified in column D. ESD's Monitoring Unit reviewed these policies and found no issues.
Contracts and Procurement	Did your organization subcontract any part of the CCW grant.	Yes	Subcontract Agreements	No Issues identified			CodeDay provided ESD's Monitoring Unit with their contract agreement for Deven Jadhav. ESD's Monitoring Unit reviewed this agreement and found no issues.
Purchases: Property and Inventory	A) Did your organization purchase any technology or small and attractive items with the CCW grant funds? (i.e.: laptop, digital camera, etc.) B) Did your organization purchase any large item(s), such as equipment, property or supplies, over $5,000 with CCW grant funds *Increased to $10,000 effective for all Federal awards issued on or after October 1, 2024	A)Yes B)No	Organization's equipment safeguarding or inventory tracking policy/process and current inventory list	No Issues identified			CodeDay provided ESD's Monitoring Unit with their inventory document. ESD's Monitoring Unit reviewed this agreement and found no issues.
Single Audit	Is your organization subject to a single audit? (i.e., expend $750,000 or more during the entity's fiscal year in Federal awards) *Increased to $1,000,000 effective for all Federal awards issued on or after October 1, 2024	No	N/A				
Personnel and Cost Allocation	Does your organization receive other federal or non-federal funding sources?	Yes	List of Funding Sources	No Issues identified			CodeDay provided ESD's Monitoring Unit with a list their funding streams. ESD's Monitoring Unit reviewed the supporting documentation and found no issues.
Cost Allocation Plan	Did your organization utilize the 10% de minimus of modified total direct costs? *Increased to 15% effective for all Federal awards issued on or after October 1, 2024	Yes	Organization's indirect cost policy or agreement with ESD	No Issues identified			CodeDay provided ESD's Monitoring Unit with supporting documentation for the federal de minimus rate. ESD's Monitoring Unit reviewed this document and found no issues.
Stevens Amendment Compliance	Does your organization have any public facing material that relays information on a USDOL funded program?	Yes	Public Facing Material	Resolved - Item to Address	8/28/2024	Codeday has revised the material and provided ESD's Monitoring Unit with copies of the publications with the revisions. This item was resolved during the review.	CodeDay provided ESD's Monitoring Unit with their public facing material. ESD's Monitoring Unit reviewed the publications and identified a gab in the Stevens Amendment disclosure statement. The statement did not identify the name of the grant, WIOA Title IB Adult, DW and Youth.
