CS Fairs

We're glad you're here! We need your help to make everyone feel welcome.

Please be friendly and welcoming.

- Be humble, even when you're successful.
- Respect, encourage, and support others.
- Don't use offensive language referring to people's gender, race, sexual orientation, religion, or disabilities. Don't use sexualized language or imagery.
- Don't "hit on" other attendees, even if you think the person is receptive.

Keep things safe and legal.

- Ensure the safety of yourself and others. Do not carry guns, knives, or other weapons. Deescalate conflicts when possible; get staff help when not.
- Abstain from using or being under the influence of alcohol, marijuana, illicit substances, and recreational drugs.

Community members may not harass others.

Harassment includes words or behavior which are intended to disparage, demean, mock, or intimidate a person or group, and unwanted contact of a sexual nature. People who participate in harassment are not welcome in our community, even when this behavior takes place outside our events.
