srnd | CodeDay

Host a CodeDay and inspire local students to fall in love with coding.

CodeDay is a worldwide event where student programmers, artists, musicians, actors, and everyone else get together and build apps & games for 24 hours. Students of all skill levels are welcome, with a particular focus on newcomers.

70% of students are new to coding, and from a traditionally underrepresented group. Three-quarters of these students continue to code.

Venue Requirements:

- **Time:** 10am on Saturday to 1pm on Sunday. (Overnight event.)
- **Date:** Visit CodeDay.org for current dates.
- **Setup:** Tables, chairs, power, and wifi for expected attendance.
- **Fees:** Must be a donation (deposit and cleaning fee may be ok).
- **Attendance:** Room for 40-400 high school students. (Varies by city.)

We Provide:

- **Staffing:** We provide a trained event lead, volunteers, and mentors.
- **Marketing & Registration:** We promote and handle ticketing.
- **Supplies:** We will supply food and drink, unless donated.
- **Liability Coverage:** Waivers; background-checks for staff.
- **Insurance:** $2M/occur insurance with waiver of subrogation.
- **Your company receives all local sponsorship perks.**

Past CodeDay Venues Include:

T-Mobile · LexisNexis RISK SOLUTIONS · Georgia Tech · wework

About SRND

Few students are interested in enrolling in coding classes, particularly those from underrepresented backgrounds. SRND runs creative and fun programs which get students excited about coding and drive enrollment.

Since 2012, SRND has run hundreds of events for 30,000 students in over 50 cities across the world.

SRND is a 501(c)(3) nonprofit.
